

# Cowboy

words & music  
Dennis Selfridge

- 1) Can't get enough of easy livin' Takes a lot to get me there  
2) Don't blame myself for my condition, I only know that it's somebody's fault  
3) Oh, don't you pester me for answers, cause it's my freedom I adore

I've got a mind that needs forgivin', I've got time and some to spare  
You can say New York City's gonna ruin the ocean, but hey somethin' tells me they're not hte only ones  
I can handle all the women, it's the kid that I can't afford

CHO:  
I don't need a suburban queen, messing around with my heart

Cause I can be sharp and then I'm way off the mark, but somewhere in my crowded head I'm a cowboy, Yeah I'm a cowboy
