

In Mourning

CAPO IV

words & music
Dennis Selfridge

INTRO: (A) Got a load on my mind again, stepped on the toes of another friend (to B)
(B) I feel like I'm badly in need of advice with a helluva nerve to think I'm nice (to CHO)

CHO: (A) I'm in mourning, Oh baby I am in mourning, (to B)
(B) for the way that things could have been and the way that they're formin'

(1) Sorry what I did today but you know I could still give you fits tomorrow
(2) Got myself in a real tough place, either way gotta show my face
(3) Just when I thought I'd changed, I open my mouth and go down in flames

One time when the words got away I lost my head and I'm bumming today (CHO)
Gotta hope that your feelings can mend I'm gonna swear to myself I'll never do this again (CHO)
I can be crazy and I can be cruel, I'm shaking my head at some things I do (CHO)
